All profits in aid of the Irish Hospice Foundation

Mick Byrne was a founder of Sorrento Cycling Club. He named the club after one of the most beautiful areas in his native Dalkey. He introduced countless young people to the joys of many different aspects and disciplines in cycling. Amongst the gifts he bestowed on those who rode with him was an appreciation of beautiful surroundings. Mick passed away in 2007 aged 81. He had been cycling regularly up to a year before his death. We hope this annual event will be a fitting tribute to Mick.
